

## Warfare and Waves (Hardback)

Filesize: 1.52 MB

### ***Reviews***

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.*

## WARFARE AND WAVES (HARDBACK)

[DOWNLOAD](#)

Pickwick Publications, United States, 2015. Hardback. Condition: New. Language: English. Brand new Book. Why is the Church of England perceived by many as homophobic, misogynist, or just plain weird? Because two movements within it, the Calvinists and the Charismatics, have recently achieved a degree of influence disproportionate to their numerical strength. And how has this come about? Both movements are well organized and wealthy. The Calvinists have played the media and ecclesiastical politics games with skill and determination, while sternly identifying themselves as guardians of the one true Reformed doctrine, having no truck with "the world." The Charismatics, on the other hand, have embraced many elements of late-modern culture but retain a premodern worldview. Peter Herriot argues that to recover from the opportunity costs and reputational damage that it has suffered at their hands, the Church of England must seize back the agenda from the Calvinists and face outwards rather than inwards. In its efforts to come to terms with globalization, the elephant in the Anglican crypt, the church's leadership will need to sideline the Calvinists and encourage the Charismatics with their recent increased social involvement. Written by a social psychologist, this book is full of detailed case studies that give a vivid insight into the organizational structures and subcultures of these two very different evangelical movements. "This is an invaluable account of how two influential but little-studied movements have shaped the Church of England in recent times. It brings to bear great psychological and sociological insight, as well as humor and good sense." --Professor Linda Woodhead, Department of Politics, Philosophy and Religion, Lancaster University "This is a clear and composed analysis of contemporary evangelicalism, and Herriot's sage and insightful observations make for compelling reading. This book should be read and studied by all those in the field of ecclesiology..."
